

Dear KTCC Members, Residents and Centre Users,

So much has changed in the world since our last newsletter. The Coronavirus has shaken up all our lives, but KTCC is committed to supporting our community through this period of change.

Part of our plans is to include **creating regular newsletters**. We want to let you know what we are doing and help share with uplifting stories from within our community. If there is something you'd like to share, please contact **Arthur (projects@ktcc.org.uk)** who is putting the newsletters together.

If you need any help or support, **please call 020 7482 3212**, or email **info@ktcc.org.uk**. We very much look forward to seeing you soon.

Sarah Hoyle, Centre Manager, KTCC sarah@ktcc.org.uk

Are you looking for a rewarding role?

Our board of Trustees is looking for a new treasurer. It is an exciting opportunity to give back to your community. For more information please contact Tim Shand (Chair of Trustees) on chair@ktcc.org.uk

Providing help to local people

A huge thanks to the local people who have come forward to volunteer to support our Older Peoples' Project (OPP). We are now doing daily ring rounds for our members, and will be sending little parcels next week to cheer people up. We still plan to send out postcards and 'happiness parcels' where we can.

Our foodbank continues to stay open

Last week we dashed into our local Cash and Carry to buy as much as we could for our foodbank. We now have an eclectic selection of jams, honey, beans and other fun stuff. We are open between **10am – 2pm Monday – Friday**. We are happy for anyone to take or donate to our foodbank. Please ring to let us know you are coming: **020 7482 3212**.

Fundraising for our foodbank

We have set up a fundraising page to enable local people to support our foodbank from the comfort of their own home! We are looking to raise £2,500 to keep our food bank fully stocked over the coming months and beyond. **All donations - large and small - gratefully accepted!** <https://donorbox.org/ktccdonate>

Other news

Our **Youth Service** is running daily online challenges for local young people via **Instagram at ktypnw5**. We can still offer **legal advice remotely**, through phone calls with our legal adviser. Email advice@ktcc.org.uk to book an appointment.

Good things in our community

So many great things are happening in our community. So many people have contacted us offering volunteering hours. A big shout out to the Irish Centre who are providing home delivery of hot food for older people, SankTus who are providing weekly take-out to homeless people in Kentish Town, and online Community Spot and the very impressive KT COVID Mutual Aid Crew Whattapp group. **If you'd like to know more, please email sarah@ktcc.org.uk**
