

## KTCC March 2021 Newsletter

**The daffodils at our Community Centre in full bloom, which must mean there are good times ahead!** Once again, we'd like to thank everyone who has visited our Centre over the last few months.

This year the number of people using The Pantry (our foodbank) has risen to 136. We have 70 families signed up to The Recipe Club (another one of our food projects) and we have been running small group sessions for our older people since the end of January.

Our Youth Service will be resuming in-person sessions very soon. Jamie and the team are waiting for more guidance from the government regarding activities for young people.

**We are keen to welcome more people into The Recipe Club, Youth Service and Older Peoples Project.**

### Moving Forward: The Food Hub

We are working on plans to ramp up our Food Hub services so we can help more people in need. Instead of having a standard foodbank, we are thinking of having 'grab and go' recipe kits which can be collected by local people every week. This is a development of our project KTCooks. **Let us know what you think by emailing: [www.food@ktcc.org.uk](mailto:www.food@ktcc.org.uk)**
