Community Meals

Since September more than 450 people have joined the KTCC team at Community Meals which we have run across the Kentish Town area. Thanks to our partners at Kentish Town CoE School, Brecknock Primary School, Torriano Primary School, Caversham Group Practice and Willingham TRA who have partnered with us.

These meals have a clear aim; to provide an opportunity for people to come together to eat hot food in a warm place with lasting friendship.

NEWS FLASH Our friends at Elfrida Rathbone will be running Community Meals on 24th of March, 31st of March and 7th of April. Email Abdul@elfridacamden.org.uk for more information.

Thank You to our supporters

We are very grateful to Camden Council and our local Councillors who supported our Cost-of-Living Take Over Day on the 1st March. Over 170 local people came to our centre to access advice, guidance and support with Cost-of-Living payments. More take over days are planned this summer.

Working with Camden's Universities: Birkbeck and UCL

At KTCC we are very committed to providing opportunities for our community. Not only does this include our work with **Good Work Camden** (who provides job support) but also our work with Birkbeck, University of London and University College London.

We are working with Birkbeck to provide introductory sessions to accessing Further Education. These are free interactive sessions open to all. We are working with UCL Student Union on several research projects to better understand our community.
