

We believe everyone has a skill to share and that sharing skills brings the community together.

What skills do you have that you can share?

What skills would you like to learn?

=====

What is your name

What is your contact number

What is your contact email

What is your date of birth

Are you happy for us to contact you about Skills Swapping?

Have you been to KTCC before, if yes what activities have you been involved in? If not what would you like to get involved in?
