

DEAR KTCC MEMBERS, USERS AND RESIDENTS

Since our last newsletter we have welcomed even more members, hirers and guests to our centre.

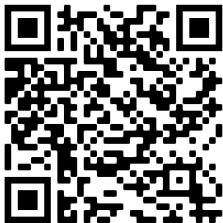

As one of the very few community centres in Camden open throughout the pandemic, we have seen our services for the local community develop and grow.

Our program is now framed on three themes; film, food, fitness and future. This newsletter provides you with information about our projects, spaces to hire and upcoming events.

For more information email: projects@ktcc.org.uk

YOUTH SUMMER CAMP

This summer we were pleased to partner again with Stage Academy for our HAF project in association with Young Camden Foundation and our Summer film and arts club funded by The John Lyon's Foundation.

The young people took part in creative drama and arts workshops with a healthy meal and snacks thrown in for free. One parent said "My child loved this project and it gave me time for a quiet cuppa!"

Autumn Activities

From September we are launching a brand new Martial Arts Session for young people on a Tuesday and will continue to run our popular Monday football session.
